North's 1958 tennis team had one returning letterman, Neil Zuehlke. With the fine play of Neil and the fast improvement of newcomers, Oliver Gee and Wilbert Thompson, the tennis team won more than their share of games.

Our top three players were given fine support by these seniors who participated in tennis for the first time: James Pokorny, Donald MacKai, and Robert Ritter.

The prospects for next season are good with the return of lettermen, Oliver Gee, Neil Zuehlke, and Wilbert Thompson; plus the added support of B squad members William Turner, Judson Coleman, and Elton Juno.

North's Golf Team, after a solid 7-2 win over West in the first meet, ran into some very solid opposition in the next few weeks. They faced in quick succession, the top teams in the city, losing to Pulaski 9-0, Juneau 7-2, and Bay View 9-0.

North's five man squad was consistently outgunned by the 25-40 man squads of the other schools. The North linksmen hope to fight back in the second half of the season to secure a few more victories for old North side. With Ken Gruel pointing the way and other first squad golfers Tom Filiput, Ralph Whiting and Lee Jay consistently improving, the team looks forward to an improved position by the end of the season.

The hitting at present is a little inconsistent, but as the season progresses and with warm weather, we feel that it will improve.

The mound duty this year will be divided among David Mueller, Wayne Zahn, and William Harris. All three show great promise and will play important roles in determining the degree of success for the coming season.

## RECORD SETTING RELAY TEAM

# Track 1958

The present track squad with only five lettermen from last year is unquestionably North's best since the 1954 championship squad. At the time of this printing, three major meets have been held with the "Blue and White" winning all three. North topped East with a team score of 18 points in the University of Wisconsin-Milwaukee Relays, won the second City Indoor Championship with a margin of 8 points, and posted 58 to 48 for Shorewood to defeat the best in the city and suburban schools in the Shorewood Relays. The Blue Devils returned with three silver and nineteen gold medals.

In these three meets three records were set. The 8 lap relay team of Jeffrey McClain, Milton Johnson, Kenneth Tatum and Donald Little established a record of 2:06.0 in the University

of Wisconsin-Milwaukee Relays, and a record of 2:05.5 in the 8 lap relay in the City Indoor Meet. The broad jump trio of Clyde Wells, Walter Shelby, and Marvin Fuller set a new Shorewood Relays record averaging 20'9.

Three big ones won and three big ones, City Relays, State, and City meets to be won. A big order, but nothing is considered impossible by this talented and determined 1958 group.

"There's no excellence without great labor" is no more true than in Track where every man has put forth his best in the last ounce of his energy. That individual effort—combined with sincere loyalty and steadfast co-operation has made "The Winners" a term synonymous with "Track".

## Cross Country

When letters were awarded at the end of the 1956 season, all seven emblem winners were expected to return and prospects for the following season seemed to be the best in many years. Only three of the seven lettermen returned. A discouraged and late start combined with illness produced a very average season. In the medium section of the state meet, North was seventh, the same place they finished the previous year.

The "N" men are: Captain Reginald Gilbert, James Green, Donald Little, Leonard Juniel, Richard Cunningham, Jerrel Jones, Willie Bolton and Floyd Washington.

## State Tournament

North, after an undefeated season which included eleven straight conference wins to clinch the city title for the first time in 23 years, entered the Regionals to the State Tournament. Custer, King, East, Washington, West Milwaukee, and Wauwatosa blocked their way. Eliminations were played and North defeated King, East and Washington, to win its second straight Regional Championship. But the task ahead, the Sectionals, was much more difficult. Our Blue Devils proved equal to the challenge and soundly trounced Shorewood, and Waukesha,—we were once again, for the second straight year, "Madison Bound."

This in itself was a record because it meant that North was the only city conference team to go to the State Tournament. In Madison, amidst a tremendous setting, North defeated

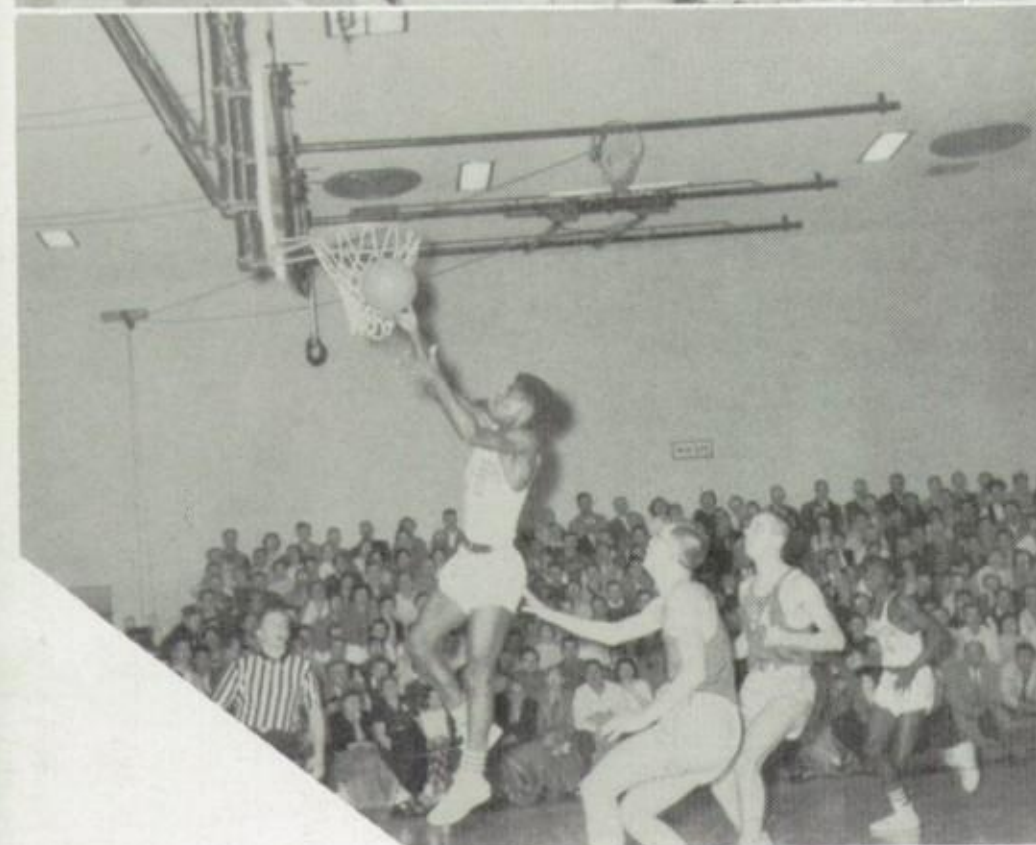

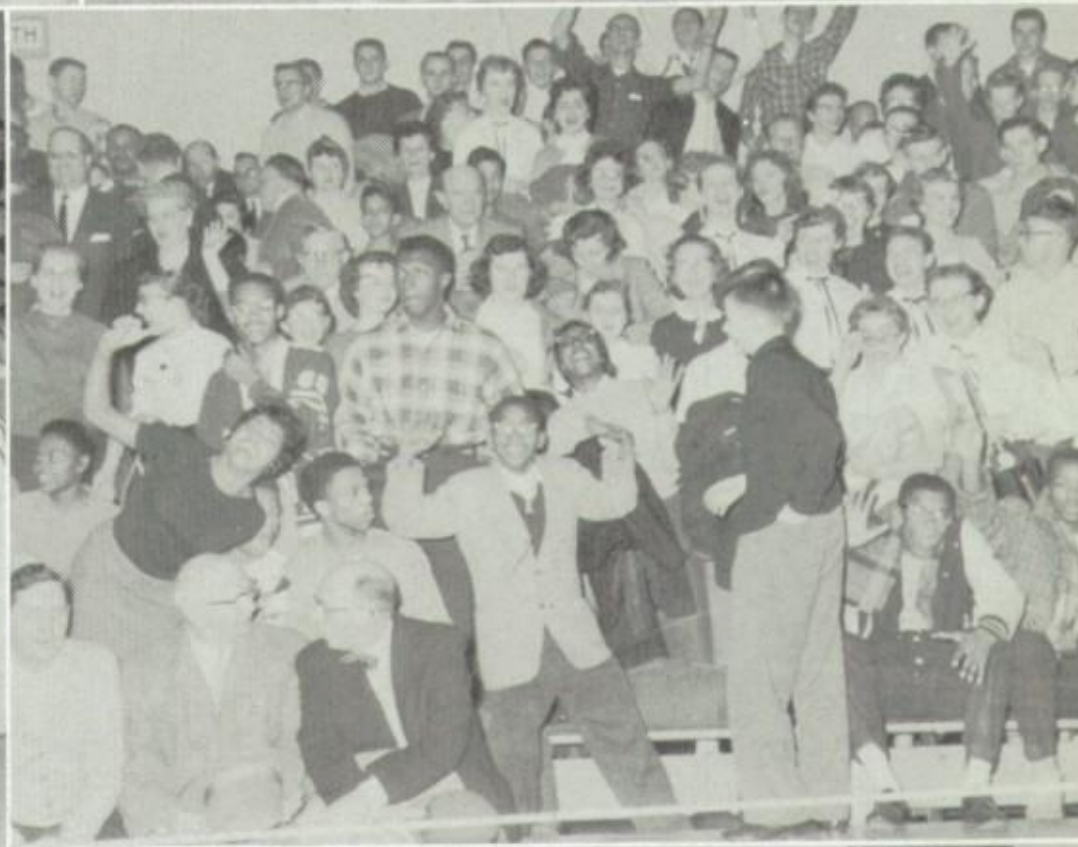

Black River Falls to enter the second round to play the defending champs, Shawano. Any vision of a third straight championship for Shawano were shattered in an overtime by our "Fighting Blue Devils", who came from six points behind with 2 minutes 30 seconds left to send the game into the overtime and a final result of victory.

Hopes were high for a state championship, but those hopes were shattered as a "hot" shooting Madison East Team defeated North to win the State Championship and break North's 24 game winning streak. Although seven members of this team are leaving, hopes for next year are still high and a trip to Madison again is highly probable.

"GOOD LUCK"

## WATCH THEM GO WHEN THEY GROW

# City Conference

This year our basketball team was composed of many of the boys who represented us so well last year in the city and state tournament. These boys, nine of whom were on the state tournament team, started off right where they left off last year by winning all of their non-conference games and then the long awaited City Conference race started. North was victorious in their first seven games.

The night that North fans will long remember is the night they gained an inside track to their first city title in twenty-three years. Their opponents were Washington, considered the best team in the city. Our team will long recall their 49-39 victory of that night. This victory so inspired the Blue Devils that they went on and clinched a clear cut title by thrashing Juneau 91-53.

North set a number of records in their tremendous season. They set a new field goal record, a new record for total points, and scored the most points in one game for the '57-'58 season. Of course, the boys' great spirit kept them going, but we must pay tribute to a really great coach, Mr. Anderson, who was so ably assisted by Mr. Jafferis and Coach Pelikan.

Leading scorers were Howard Fuller, Marvin Fuller, Eugene Hamilton and, James Kimble. The other members of our team who contributed immensely to the Blue Devils' tremendous year were Dewitt Moore, Clyde Wells, Julius Wells, Walt Shelby, Gerald Kelly, James Miner Pickens Winters, William Brooks, Ron Ross, Ray Wilder, and Don Holz.

Their record for conference and non-conference games was an outstanding 15-0.

## Wrestling

The second year of wrestling, North Division moved from 10th place to 6th place in city standings, having won 4, losing 4, and tying 2.

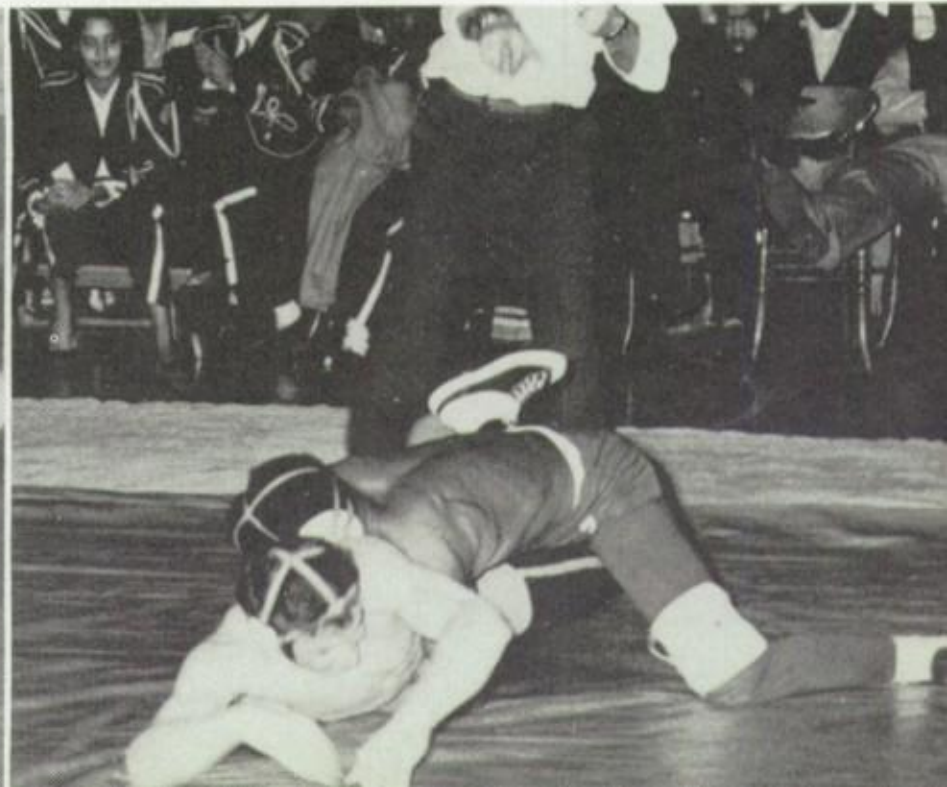

We had two boys place in the all-city eliminations: Eddie Moton, placing 2nd and William Malone, placing 4th.

We had two boys that also qualified in the state meet at Madison; they were Eddie Moton,

who placed 4th, and Isiah Ruth, who was eliminated in the first round.

This year we had a very young team. If the boys will keep up their grades, our wrestling team will continue to improve.

The captains this year were Isiah Ruth and Eddie Moton, two boys who did a tremendous job of making our team a better one.

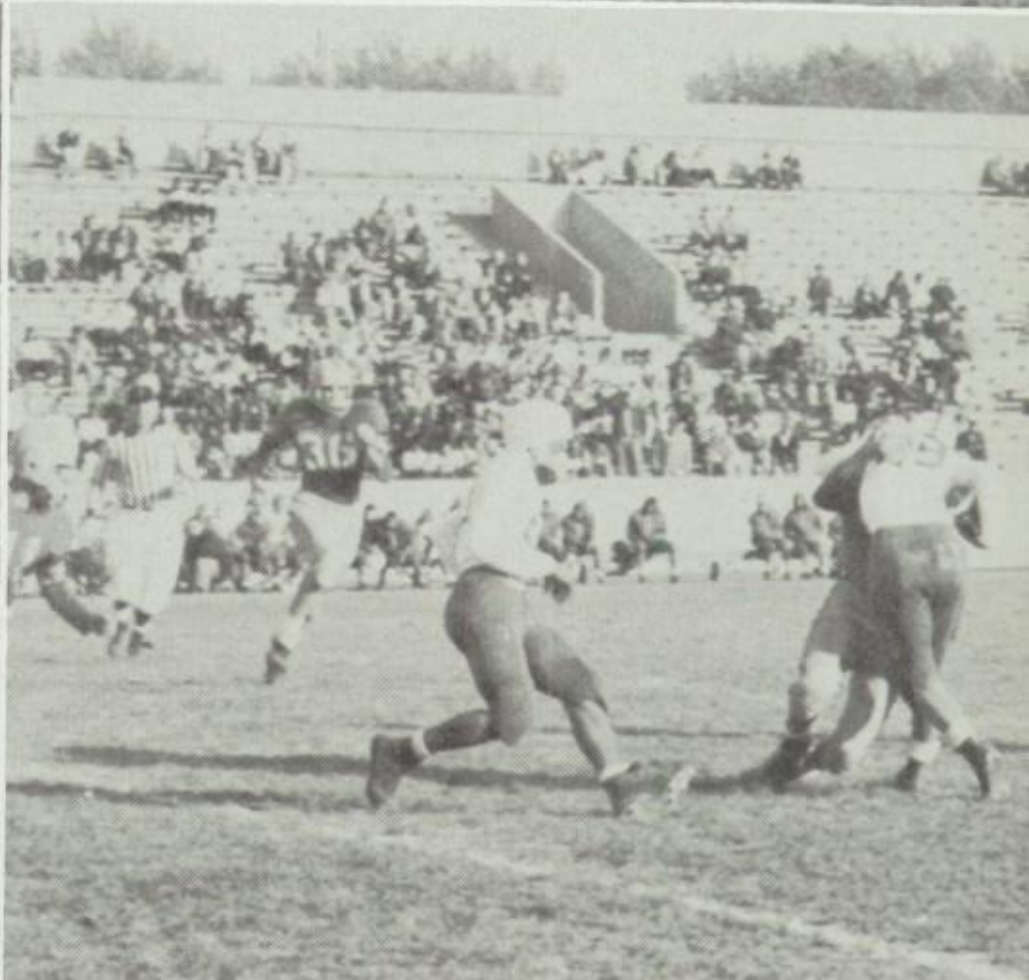

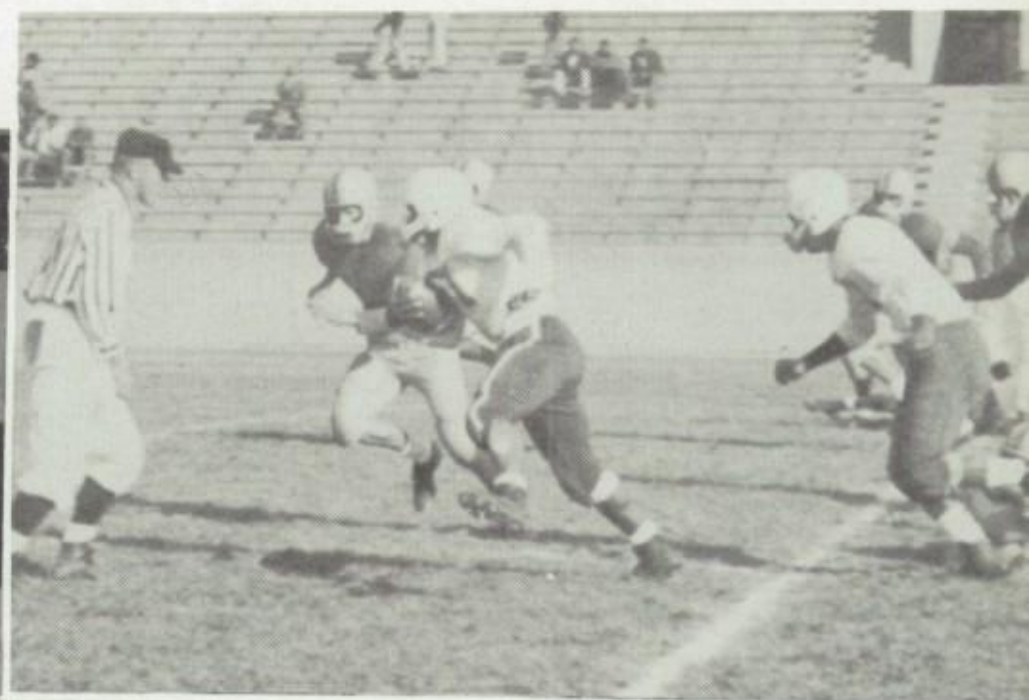

SITTING IT OUT

GET IT CLYDE!

SHALL WE DANCE?

The 1957 football team was held to a grand total of 51 points, but was fortunate enough to make 31 of these points in a single game, to beat a big and favored Pulaski team. North's homecoming game against Washington was, perhaps, the hardest fought and best played game of the season, although North was unable to put up a strong defense against Washington's passing offense.

In the Pulaski game Don Neufuss was first to score on a 10 yard run. Then it was Milt Johnson, who added to North's score followed

by Neufuss's pass to Al Taylor who crossed the goal line for North. Milt Johnson provided the biggest thrill of the night and the season, when he streaked from North's one yard line through 11 opposing players to add 6 points to North's rising score.

Games were not the only things lost, for Carl Engelke retired from his coaching job at the end of the season. We wish him the "Best of Luck", but above all, we wish our new coach, Ed Withers, the "Best of Luck."

RONALD ENDISCH

### THE NOBLE NATURE

It is not growing like a tree  
In bulk, doth make Man better be;  
Or standing long an oak,  
To fall a log at last, dry, bald, and sere:  
A lily of a day  
Is fairer far in May,  
Although it fall and die that night—  
It was the plant and flower of light.  
In small proportions we just beauties see;  
And in short measures life may perfect be.

—Benjamin Jonson

# *In Memoriam*

Ronald Endisch had an untimely death leaving us at the age of sixteen; and although he didn't have much time to leave his mark on society, he did contribute much in his short lifetime. What he did is not startling nor great, nor will it be known to the rest of the world. But those of us who were close to him feel enriched because of our acquaintance with him.

He was an honor student, a leader among his classmates, and an athlete, who practiced sportsmanship not only on the field, but in everyday life.

He had the problems of a typical teenager, the same as you, and he had to work them out himself the way we all have been taught to do.

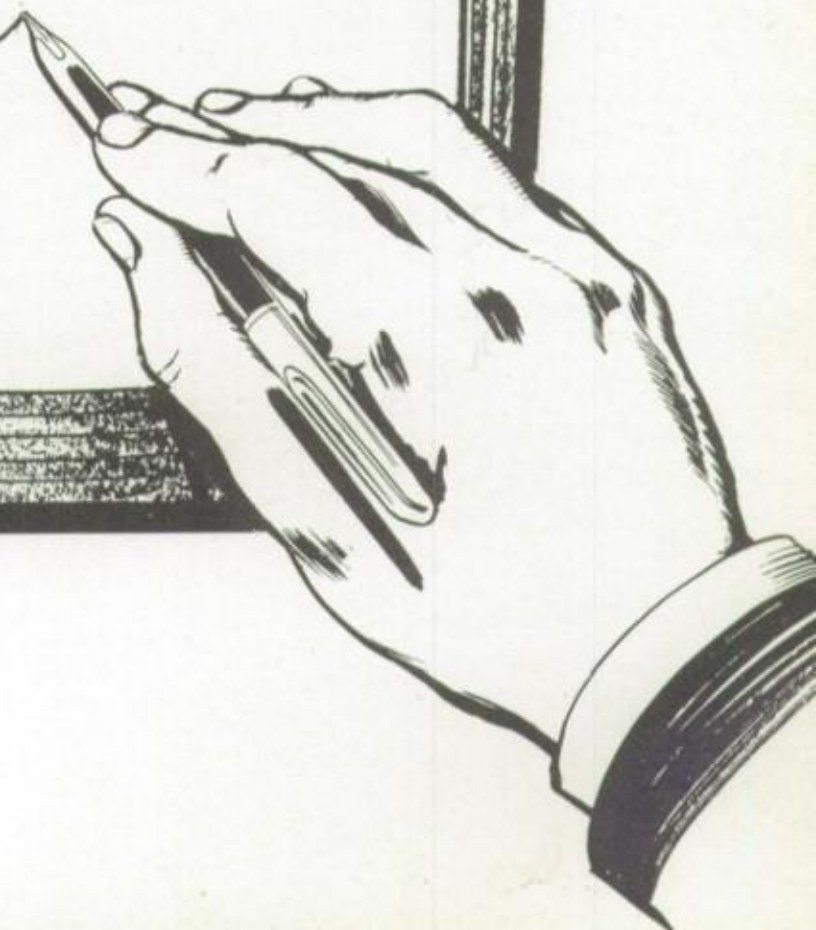

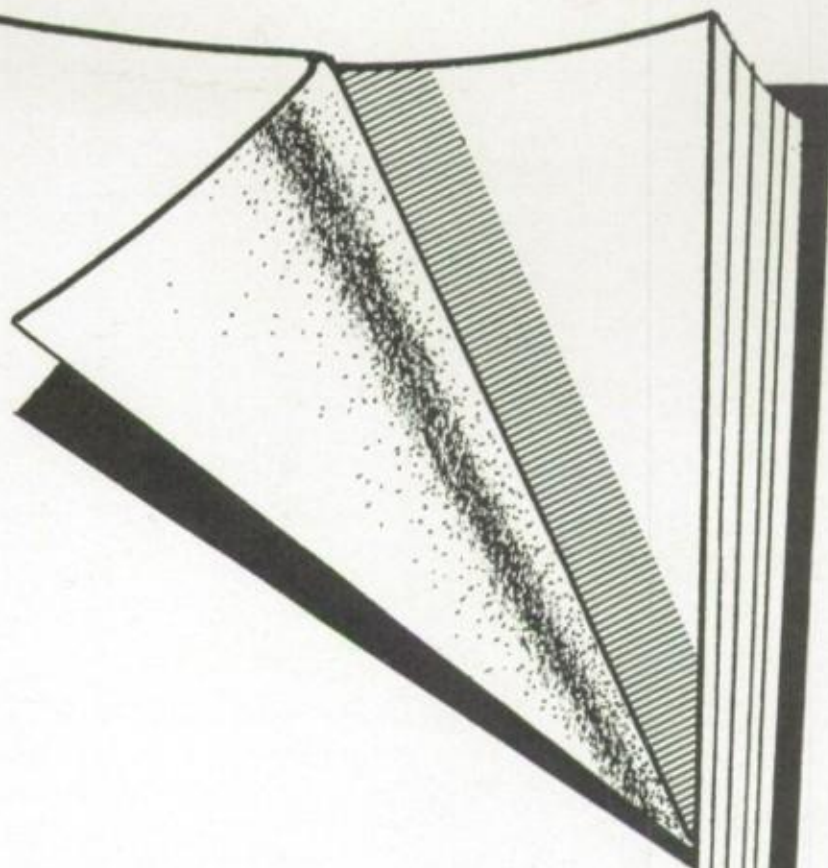

Although Ronald is beyond us now and can no longer be with us in person, he will always be with us in our thoughts.
